GENERAL INDEX

AGARWAL, A., *see* Lloyd, K. N., joint-author
Allergy to drugs in rheumatology, 2
Amputation, myoplastic, immediate prosthesis and early ambulation, review of book on, 321
Amputees, upper-limb, training of, in use of prostheses, review of book on, 94
—— with progressive vascular disease, rehabilitation of, 250
Amyloid deposition, synovial, multiple myeloma with, 349
Amyloidosis in ankylosing spondylitis, 78
Anaesthesia, epidural, with and without corticosteroid in treatment of sciatica, 40
ANSELL, B. M., WILLIAMS, J. G. P., CHESHIRE, L., LAWTON, S., and HAINES, R. E. J.: Farnham Park modular splint system, 334
Appliances, new, 86, 134, 199, 313, 356
ARMSTRONG, B. K., and GOATCHER, P. M.: An adjustable angle short-arm crutch, 134
Arthritis, blood in, 53
——, endocrines and, 325
——, rheumatoid, pathogenetic mechanisms, review of book on, 437
——, ——, penetrating subarticular erosions in elbow in, 180
——, ——, renal disorders in, 2
——, ——, total dose infusion of iron-dextran in, 240
——, ——, —— knee replacement in, 391
Arthroplasty, MacIntosh, of knee joint, follow-up of, 217
Arthroscopy, review of atlas of, 139
Athletics, injuries associated with, 246

Backache: the loose back, an unrecognized syndrome, 72
Baker, Doris M., obituary notice of, 208
BALINT, G., *see* Gaspardy, G., joint-author
BARNETT, C. H.: The mobility of synovial joints, 20
Bath, wax/oil, an improved model, 199
Beaufort–Winchester flotation bed in treatment of severe decubitus ulcers, 401
BÉLIVEAU, P.: A comparison between epidural anaesthesia with and without corticosteroid in the treatment of sciatica, 40
Bell's palsy (editorial), 97
—— ——, bilateral, management and prognosis, 120
—— ——, clinical study, 100
—— ——, prognosis in, 111
BENN, R. T., and WOOD, P. H. N.: Services ancillary to physical medicine: regional variations in staff and appliances, 403
BENNETT, P. N.: Gastric mucosal damage by anti-inflammatory drugs, 429
Bleeding, occult, due to drugs, assessment of, 36
Blood in arthritis, 53
Bone changes in chondromalacia patellae, 175
——, disease, metabolic, rheumatology and, 162
Bones and joints, diseases of, review of book on, 92
Book reviews, 48, 92, 138, 201, 260, 320, 359, 437
BOYLE, A. C.: The Department of Rheumatology and Physical Medicine, The Middlesex Hospital, 213
Bradykinin and related kinins, review of book on, 48
BREWERTON, D. A.: Tenography of the rheumatoid hand, 34
British Association of Physical Medicine and Rheumatology, Annual Meeting reports, 135, 318
—— —— —— —— —— ——, programme of study course for D.Phys.M., 203
—— —— —— —— —— ——, Provincial Meetings, 88, 137, 319
—— —— —— —— —— ——, revision of title (Message from President), 265
—— —— —— —— —— ——, short history of, 210
BROOMHEAD, I. W., *see* Kemp, W. A., joint-author
BRUCKNER, F. E., and RANDLE, A. P. H.: Return to work after severe head injuries, 344
Budgerigar, contact with, polymyalgia rheumatica and, 380
BURRY, H. C.: Renal disorders in rheumatoid arthritis, 2
——, *see also* Kemp, W. A.; Owen-Smith, B. D., joint-authors

Cancer patient, ecology of, review of book on, 140
CASEY, E. B., and LAWTON, N. F.: Progressive systemic sclerosis presenting with Raynaud's phenomenon in the tongue and sensory trigeminal neuropathy, 131
Casts for severely deformed and disabled patients, 356
Cerebrovascular diseases: prevention, treatment, and rehabilitation, review of book on, 361
CHESHIRE, L., *see* Ansell, B. M., joint-author
Chondromalacia patellae, bony changes in, 175
Chymoral tablets, treatment of sciatica due to intervertebral disc herniation with, 14
CLARKE, G. R.: Unequal leg length: an accurate method of detection and some clinical results, 385
COHEN, R. D.: Some aspects of metabolic bone disease related to rheumatology, 162
COPEMAN, W. S. C.: Historical notes on rheumatology, 145
——, obituary notice, 1
COPP, E. P., and KEENAN, J.: Phenol nerve and motor point block in spasticity, 287
Corticosteroid myopathy, 28
COSH, J. A.: The heart and the rheumatic diseases, 267
CRELLIN, R. Q., *see* Richards, A. J., joint-author
CROFT, D. N., *see* Cuddigan, J. H. P., joint-author
Crutch, short-arm, with adjustable angle, 134
CUDDIGAN, J. H. P., SWEETLAND, C., and CROFT, D. N.: Assessment of drug-induced occult bleeding, 36

DARRACOTT, J., and VERNON-ROBERTS, B.: The bony changes in chondromalacia patellae, 175
Disability, physical, psychological effects, review of book on, 141
Disabled, self-aids for, review of book on, 140
——, severely, method of casting for, 356
——, ——, rehabilitation of, review of book on, 201
——, social problem of, review of book on, 138
Disease, non-communicable, epidemiology of, review of book on, 140
DRABBLE, G. E., *see* Hutton, W. C., joint-author
Drainage, postural, and respiratory control, review of book on, 322
Drug allergy in rheumatology, 435
—— interactions as a source of adverse effects, 428
Drugs, anti-inflammatory, gastric mucosal damage by, 429
——, history of, review of book on, 360
——, occult bleeding due to, assessment of, 36
——, safety of, 431
DUBOWITZ, V.: Recent advances in neuromuscular disorders, 126
DURANCE, R. A., *see* Richards, A. J., joint-author

Education, medical, undergraduate, specialty contributions to, 156
Elbow, penetrating subarticular erosions in, in rheumatoid arthritis, 180
EL-EBIARY, H. M.: Facial paralysis: a clinical study of 580 cases, 100
——: Prognosis in Bell's palsy, 111
Electrodiagnosis and electromyography, review of book on, 359
Electromyography, clinical, review of book on, 93
—— in differential diagnosis of neuropathies and myopathies, review of book on, 360
ELLIS, J. R.: Specialty contributions to undergraduate medical education, 156
EL-SHERBINI, K. B.: Bilateral Bell's palsy, management and prognosis, 120
Endocrines and arthritis, 325

Farnham Park modular splint system, 334
Fisher, Myer, obituary notice of, 319
Foot, load distribution under, measurement of, 313

GASPARDY, G., BALINT, G., MITUSOVA, M., and LORINCZ, G.: Treatment of sciatica due to intervertebral disc herniation with Chymoral tablets, 14
Gastrointestinal bleeding, occult, due to drugs, assessment of, 36
GOATCHER, P. M., *see* Armstrong, B. K., joint-author
GRAHAME, R.: The endocrines and arthritis, 325
——, *see also* Kemp, W. A., joint-author
Gymnastics, jazz, review of book on, 322

HAINES, R. E. J., *see* Ansell, B. M., joint-author
HAMILTON, E. B. D., *see* Jacoby, R. K., joint-author
Hand deformities, Farnham Park modular splint system for, 334
——, rheumatoid involvement of, tenography of, 34
HARRIS, E. L.: Aspects of the safety of medicines, 431
HARRIS, J.: The use of a residential medical rehabilitation centre, 337
HARRISON, W., *see* Jayson, M. I. V., joint-author
HASLOCK, D. I., and WRIGHT, V.: Pantothenic acid in the treatment of osteoarthrosis, 10
HAZLEMAN, B. L: The painful stiff shoulder, 413
Head injuries, severe, return to work after, 344
Heart disorders and the rheumatic diseases, 267
Hemiplegia, proprioceptive neuromuscular facilitation techniques in treatment, 186
——, self-help for patients, review of book on, 437
Hip joint, osteoarthrosis of, ibuprofen in management of, 281
—— —— replacement, total, review of book on, 320
—— —— surgery in the twentieth century, 173
HOWES, R. G., and ISDALE, I. C.: The loose back: an unrecognized syndrome, 72
HUTTON, W. C., and DRABBLE, G. E.: Apparatus to give distribution of vertical load under foot, 313
Hypnosis, medical and dental, review of book on, 323

Ibuprofen in management of osteoarthrosis of hip, 281
Infants, newborn, peripheral nerve conduction velocity studies in assessing maturity, 400
Injuries, athletic, 246
INNES, E. H.: Peripheral nerve conduction velocity studies in newborn infants of 28-42 weeks' gestation, 400
——, *see also* White, A. G., joint-author
Interdisciplinary Cycle Research, Journal of, review of Vol. I, 94
Iron-dextran, total-dose infusion in rheumatoid arthritis, 240
ISDALE, I. C., *see* Howes, R. G., joint-author

JACOBY, R. K., JAYSON, M. I. V., PINDER, I., and HAMILTON, E. B. D.: Pigmented villonodular synovitis presenting as a popliteal cyst, 354
JAYSON, M. I. V., SALMON, P. R., and HARRISON, W.: Amyloidosis in ankylosing spondylitis, 78
——, *see also* Jacoby, R. K., joint-author
Jazz gymnastics, review of book on, 322
JESSOP, J. D., and MOORE, C. J.: Follow-up of the MacIntosh arthroplasty of the knee joint, 217
Joints, lubrication of and wear in, review of book on, 48
JONES, C. E. M., and MOWAT, A. G.: Total-dose infusion of iron-dextran in rheumatoid arthritis, 240

KEENAN, J., *see* Copp, E. P., joint-author

KEMP, W. A., GRAHAME, R., BURRY, H. C., and BROOMHEAD, I. W.: Treatment of severe decubitus ulcers using the Beaufort–Winchester flotation bed, 401
Kidney disorders in rheumatoid arthritis, 2
Kinins, review of book on, 48
Knee joint, MacIntosh arthroplasty of, follow-up of, 217
—— ——, total replacement in rheumatoid arthritis, 391

LAURENCE, D. R.: Drug interactions as a source of adverse effects, 428
LAWTON, N. F., *see* Casey, E. B., joint-author
LAWTON, S., *see* Ansell, B. M., joint-author
Leg length, unequal, method of detection, 385
LEVY, M., *see* Najenson, T., joint-author
LITTLEJOHNS, D. W.: Drug allergy in rheumatology, 435
LIYANAGE, S. P., *see* Moll, J. M. H., joint-author
LLOYD, K. N., AGARWAL, A., and REES, D.: Penetrating subarticular erosions in the elbow in rheumatoid arthritis, 180
LOEBL, W. Y.: The assessment of mobility of metacarpophalangeal joints, 365
LORINCZ, G., *see* Gaspardy, G., joint-author
Lubrication and wear in joints, review of book on, 48

MacIntosh arthroplasty of knee joint, follow-up of, 217
Manipulation, peripheral, review of book on, 49
MATTINGLY, S.: Results of combined medical and industrial rehabilitation at Garston Manor, 193
Medicine, advanced, conference on, review of proceedings, 93
——, physical, *see* Physical medicine
Metacarpophalangeal joints, assessment of mobility of, 365
Middlesex Hospital Department of Rheumatology and Physical Medicine, historical note, 213
MITUSOVA, M., *see* Gaspardy, G., joint-author
MOLL, J. M. H., LIYANAGE, S. P., and WRIGHT, V.: Objective clinical method to measure lateral spinal flexion, 225
——, ——, ——: Objective clinical method to measure spinal extension, 293
MOORE, C. J., *see* Jessop, J. D., joint-author
Motor nerve latency measurements, electrode mounts for, 86
MOWAT, A. G., *see* Jones, E. M., joint-author
Muscles, respiratory, mechanics and neural control, review of book on, 92
Myeloma, multiple, with synovial amyloid deposition, 349
Myopathy complicating corticosteroid treatment, 28

NAJENSON, T., and LEVY, M.: Rehabilitation of amputees with progressive vascular disease, 250
Nerve, peripheral, conduction velocity studies in assessing maturity of newborn infants, 400
——, sensory, latencies, electrode for antidromic measurement of, 357
Neuromuscular disorders, recent advances in, 126
NICHOLS, P. J. R., and STRANGE, T. V.: A method of casting severely deformed and disabled patients, 356

Obituary notices, 1, 205, 208, 319
Occupational therapy for students, review of book on, 360
—— —— in rehabilitation, review of book on, 93
—— ——, self-aids, review of book on, 140
Orthopaedic medicine, review of book on, 359
OSMOND-CLARKE, Sir HENRY: Hip-joint surgery in the twentieth century, 173
Osteoarthrosis of hip, ibuprofen in management of, 281
——, pantothenic acid treatment, 10
OWEN-SMITH, B. D., and BURRY, H. C.: Ibuprofen in the management of osteoarthrosis of the hip, 281

Palsy, facial, *see* Bell's palsy
Pantothenic acid in treatment of osteoarthrosis, 10
Parakeet, contact with, polymyalgia rheumatica and, 380
Phenol nerve and motor point block in spasticity, 287
Physical medicine, *see also* British Association of Physical Medicine and Rheumatology
—— —— department, functions of, round-table discussions, 45
—— ——, role in intensive care, round-table discussion, 46
—— ——, services ancillary to, 403
Physiotherapists, education of, round-table discussion, 44
Physiotherapy in respiratory diseases, review of book on, 323
—— procedures, review of book on, 322
——, progress in, review of new journal, 139
——, respiratory, review of book on, 323
—— techniques as practised in France, review of book on, 360
PINDER, I., *see* Jacoby, R. K., joint-author
Polymyalgia rheumatica and contact with *Melopsittacus undulatus*, 380
—— ——, round-table discussion, 47
Popliteal cyst, pigmented villonodular synovitis presenting as, 354
Postgraduate diary, 50, 96, 142, 204, 263, 324, 362, 438
Pressure sores, Beaufort–Winchester bed in treatment, 401
Proprioceptive neuromuscular facilitation techniques in treatment of hemiplegia, 186

QUIN, C. E.: Observations on the effects of proprioceptive neuromuscular facilitation techniques in the treatment of hemiplegia, 186

RANDLE, A. P. H., *see* Bruckner, F. E., joint-author
REES, D., *see* Lloyd, K. N., joint-author

Rehabilitation centre, medical, residential, use of, 337
——, combined medical and industrial, results at Garston Manor, 193
——, new step unit for, 87
——, occupational therapy in, review of book on, 93
—— of amputees with progressive vascular disease, 250
—— —— severely disabled, review of book on, 201
Respiratory control, postural drainage and, review of book on, 322
—— muscles, mechanics and neural control, review of book on, 92
—— physiotherapy, review of book on, 323
Review articles, 2, 53, 267, 325
Reviews of books, 48, 92, 138, 201, 260, 320, 359
Rheumatic diseases, the heart and, 267
Rheumatism Department at the West London Hospital, historical note, 83
——, services for sufferers from, review of report of Arthritis and Rheumatism Council, 94
Rheumatoid arthritis, *see* Arthritis, rheumatoid
—— involvement of hand, tenography of, 34
Rheumatology, career structures in, review of report to Arthritis and Rheumatism Council, 95
——, clinical, reviews of books on, 48, 201
——, drug allergy in, 2
——, historical notes on, 145
——, metabolic bone disease related to, 162
——, modern trends in, review of book on, 138
RICHARDS, A. J., DURANCE, R. A., and CRELLIN, R. Q.: Total knee replacement in rheumatoid arthritis, 391
Round-table discussions, 44

SALMON, P. R., *see* Jayson, M. I. V., joint-author
